FAX: (208) 843-7387

Since 1995, Students For Success has worked to educate Native American youth about wellness and health by working to prevent substance abuse and disease. The program has two offices located in Lapwai and Kamiah, Idaho.

- Teaching youth and young adults about traditional tobacco.
- Teaching the community about good health and wellness practices.
- Advocating for youth and young adults to make informed and responsible decisions about their well-being.
